

Walsall

- HSUK/Midlands Ring will serve Walsall at its existing station - currently with only local services.
- With new/upgraded/restored links to Birmingham, Wolverhampton and Derby, Walsall will see its intercity connectivity transformed, both to Midlands cities and nationally.
- No MRH or HS2 services are proposed for Walsall.
- Links to MRH & HS2 will require walking transfer from B'ham New Street to Moor Street.
